I'm Sarah, a Colorado wedding photographer with a big heart for passionate couples who live for the outdoors and believe in dancing under the stars.

I'm a Colorado native and never get tired of the incredible beauty that surrounds us daily in this state. Brian and I have had a fairytale marriage and we often find ourselves together enjoying our favorite hobbies: dipping our feet in mountain streams, chasing our favorite food trucks, sipping new tastes at local breweries, watching The Office or the latest sci-fi series, going for sunset walks, and traveling.

My husband and I had the absolute best experience working with Sarah, both for our engagement shoot in September 2023 and our wedding in September 2024. I was super nervous before our engagement shoot because I had never had photos taken professionally before, but Sarah set us both right at ease and captured all our love and joy in a way that felt natural and true to us.

We are just obsessed with our wedding photos and the professional manner in which Sarah interacted with us, our wedding parties, and our guests to get the most memorable shots! I will cherish these photos forever and would definitely recommend Sarah to anyone. -Laura & Evan

No need to look any further, Sarah Goff Photography is the best in Colorado! ... Our 11.14.2020 wedding day brought lots of weather components (classic Colorado) but it didn't slow Sarah down at all! When it started snowing, as we hoped for, she didn't miss a beat and braved the cold to make our snowy couple pictures come to life. I will cherish this pictures for the rest of my life! From our first call to receiving our wedding pictures, it has been a true pleasure working with Sarah and we consider her part of our family now! We look forward to working with her in the future to continue to capture our life events.

-Kaitlyn & Lance

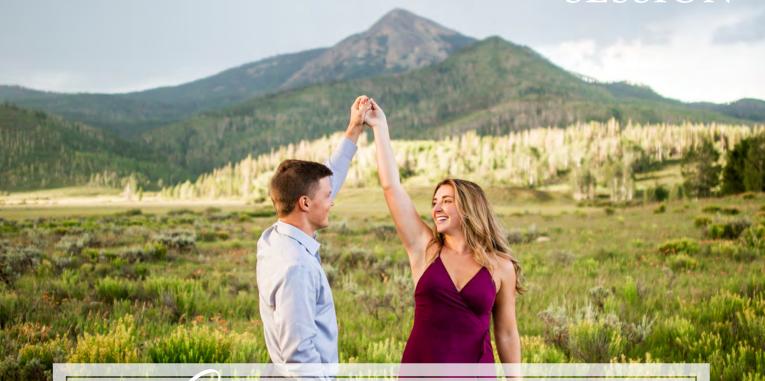

Sarah and her team are phenomenal! ...Leading up to our wedding, Sarah was always great at quick responses and contributing to the agenda schedule. Day of her team was nothing but professional, but so much fun! I can't imagine having any other person there to help drive the schedule and capture our day. The photos returned are GORGEOUS and we can't wait to share them with our family and friends! We highly recommend Sarah! - Leticia & Dominic
